Assembly & Installation

Notes:

1. All above listed prices include VAT 19%.
2. Furniture must be located to the space where they will be assembled, which should be clean and free of small objects.
3. The assembly crew does not handle the transport of goods between floors and different spaces.
4. Consumer is not obliged to pay if the notice of payment is not received (receipt-invoice).
5. Gathering of all packaging materials at a predetermined location within the residence, as indicated by the customer.
 . Recycling of all packaging materials, provided that a recycling bin is available within a distance of up to 50 meters
6. The assembly of products whose safe use requires wall mounting (such as cupboards, shelving units, bookcases, drawer units, etc.) is only considered complete once they have been securely fastened to the wall.

Appointments for assembly for Zone 1 and 2 in two working days, for Zone 3 in 3 working days after delivery.
