**PARe Services**  
Assembly & Installation

**Notes:**

1. All the above prices include 19% VAT.
2. The installation service is provided in a separate appointment and it is not combined with a furniture installation appointment.
3. The products to be installed should be placed in the relevant area.
4. The assembly crew does not undertake the transport of products between floors and different places.
5. The consumer is not committed to pay if he/she does not receive the relevant invoices – receipts.
6. Gathering of all packaging materials at a predetermined location within the residence, as indicated by the customer.
- . Recycling of all packaging materials, provided that a recycling bin is available within a distance of up to 50 meters

Remarks: Installation appointments for zones 1 and 2 can be arranged within two working days and for zone 3, within three days after delivery.
